This agreement allows the above-named potential adopter to take home the above-named pet on a temporary basis (no more than \_\_\_\_\_) prior to a permanent adoption decision. Meant 2B Loved Pet Rescue Society offers this trial period in good faith to assist the potential adopter in evaluating the suitability of this pet in his/her household and expects the potential adopter to take responsibility for this pet as his/her own during this trial period.

### Temporary Caregiver:

If, within the trial period, I decide this pet will fit appropriately into my household, I will contact a representative of Meant 2B Loved Pet Rescue Society to finalize the adoption. If I decide not to complete the adoption, I will return the pet to Meant 2B Loved Pet Rescue Society immediately to give it the opportunity to find a new home.

Dogs only: I will keep a collar and identification on the dog, and I am responsible for the dog's supervision.

If, for any reason, the pet escapes my possession and is confiscated by animal control or another government agency, I will notify Meant 2B Loved Pet Rescue Society immediately and I am responsible for any costs and fines incurred in retrieving the pet.
